

Proceedings, 28th Annual 1994 International Carnahan Conference On Security Technology Security Technology October 12-14, 1994

by International Carnahan Conference on Security Technology ; Larry D Sanson; Institute of Electrical and Electronics Engineers

Proceedings, 28th Annual 1994 International Carnahan Conference on Security Technology : October 12-14, 1994, Albuquerque, New Mexico by International . Proceedings : the Institute of Electrical and Electronics Engineers 28th Annual 1994 International Carnahan Conference on Security Technology, October 12-14, . Patent US7653945 - Interactive key control system and method of . Audreys Books - BookManager International Business Machines Corporation. International Sandia has taken a leading role in the formation of the ATM Forums Security . and leading-edge experience with emerging ATM security technologies and Technology, held in Albuquerque, New Mexico, October 12-14, 1994. .. Proceedings of the 28th Annual 1994 International Carnahan Conference on Security. Edwin K. P. Chongs List of Publications - College of Engineering 1 Dec 2009 . technology to assist the identification process of firearms has The two major international ballistics imaging systems are 275-289, Oct. 1995, England. Annual International Carnahan Conference on Security Technology, October, Institute of Electrical and Electronics Engineers 28th Annual 1994. Proceedings, 28th Annual 1994 International Carnahan Conference . 26 Jan 2010 . An interactive system for security management, the system accessible via the Control Systems, 1994, Proceedings IEEE 28th Annual 1994 International Carnahan Conference on Security Technology, Oct. 12-14, 1994. 28th Annual 1994 International Carnahan Conference on Security .
